- Bedrooms: 3
- Baths Full/Half: 3 / 1
- Apartment Size: 2088 Sq Feet / 194 sq Meter

This amazing 4th floor condo offers stunning ocean and sunset views from the main living areas with 3 large terraces. The luxurious 194 sqm / 2088 sqf, 3 bedroom, 3 1/2 bathroom condominium is part of the famous Tamarindo Diria Beach and Golf Resort and is located in the most desirable NW corner of the building. The condo offers a variety of custom architectural features, such as vaulted ceilings, arches and extra large panoramic windows even in the shower, and beautiful tile detail. The kitchen offers granite counters, stainless steel appliances and custom woodwork cabinets.

The condo complex is embedded in Tamarindo's prime vacation resort and offers access to all its amentities, such as restaurants, 3 pools (including the area's largest scenic pool), direct access to beautiful Tamarindo Beach, and much more.

The condo building is located very centrally in the town of Tamarindo and therefore almost all restaurant, bars and the main shopping area are within a short walking distance.

It is the last on the market of its size and location within the Diria Beach & Golf Resort
