

TAMARINDO

OCEAN VIEW LOT!

US\$ 98,000

This 470m² lot will NOT last long in the market. It already has a water meter installed, an architectural design for a 2 stories home and soil studies. Located in a quiet residential area, next to ASADA, walking distance to Tamarindo beach.

The area is a favorite for locals residents because its strategic location. The lot underneath it is also for sale to make your purchase a double street frontage lot.
