

AVELLANAS

CASA MARYANNA

US\$ 125,000

One of a kind comfortable 2 bedroom home, with a huge outside deck and patio featuring views over a beautiful forest and seasonal river. The property has a total of 1.8 acres, which is plenty of room to make the project of your dream! The house has a total of 3,000 sqft with 1,400 sqft that are under roof. The property has all the modern services as electricity, phone and internet, and would be perfect for a yoga retreat and/or small B&B in the country side. The property is only located 10 minutes from the beaches of Avellanas and Playa Negra and only 20 minutes from Tamarindo, which is the most popular village in the area with a lot of boutiques, restaurants and shops.
