CASA DEL SOL - 2 BED CONDO

US\$ 229,000

Casa del Sol is a gorgeous eco-conscious property situated steps from a pristine white sand cove. It offers a fabulous pool, lovely tropical gardens, and large old-growth indigenous trees. As well, it boasts a low-impact two story design of only 25 elegant residences. You will be charmed by the elegant tropical colonial design, with red tile roofs and stucco finish.

All the condos are situated around the central swimming pool and gardens, and boast private terrace or balcony. This unit #16 condo offers a well-appointed 1,100 ft² floor plan with 2 bedrooms, 2 bathrooms, open living/dining area, gourmet kitchen with granite counters and stainless steel appliances, jacuzzi tub in the master bathroom, central a/c and laundry room.
