

TAMARINDO

967m2 LOT - BACK TO ESTUARY

US\$ 150,000

If you want to build in Tamarindo, get the perfect location with that piece of land! Only 300m from the beach, with the estuary in your backyard, it could not be a better spot to be quiet and by also being close of everything!

That lot is 967.54m2, and is big enough to build a big house, a garage or a little casita. We can also refer you to good contractors in the area, to build the house of your dream! On the map, it's the lot no7.
